## **REED'S LETTER**

Dear CRT Members and DRT Ladies,

It has been a unique experience being on the Board of Management for the past 7 years. We have not only grown physically as depicted in the pictures, but also emotionally and intellectually, each year serving as an officer has presented it's own challenge. But truly, being President General has been totally joyful. Thank you for allowing me the privilege to Answer the Call.

*Reed Denton*
