

REPUBLIC OF TEXAS HISTORY COMPLEX TEAM

The DRT District Challenge was a tremendous success! Over \$328,000 was raised. 72% of all DRT Chapters across the state participated.

At the BOM meeting in May, we asked members to study the Sustainability Plan that was given to them and send the Team their comments/concerns before June 1, 2015. As a result, the Plan has been revised once again and it is now ready to be voted upon by the Board.

Bryan Rubio, RTHC Vision fundraiser submitted his resignation to the Team, effective July 15, 2015.

Carolyn Reed has requested a leave of absence, due to health concerns. A motion will go before the Board to reappoint Pat Horridge to the Team. At the time of her appointment, she will accept the Chairmanship of the RTHC Team. Even though Nancy Shurtleff has stepped down as Chair, she will remain an active member. Beverly Locklin has agreed to become a member, and the Board will also vote on her appointment.

An invitation is extended to all BOM members to attend all or some of the RTHC team meetings. We meet every other Monday at the DRT Headquarters (510 East Anderson Lane, Austin) from 10 am to 1pm. If a member is unable to attend the meeting due to distance, she is invited to Skype or Conference Call. Please let Pat Horridge know if you will be attending the meeting. We want the BOM to be fully aware of the activities and plans for this project. The next meeting will be Monday, July 6, 2015.

Special thanks go to President General Dr. Betty Edwards and Custodian General Arlene Garey for attending the most recent meeting.
