Daughters at Work

Happy New Year !!!

Our wonderful Library staff, headed by Leslie Stapleton, our Director, has been very busy arranging our catalog and finishing the identification of the remaining 38,000 items. We feel very confident in our catalog.

We will have an opportunity to voice our issues to our State Representatives and State Senators Daughter Voice will be in place on our Member Website.

Thanks to ALL the Daughters that took their time in speaking to their state representatives.

The Daughters continue our Battle.

Betty J. Edwards, M.D.

Thank You Republic of Texas Museum. Jean Sitterle, Janie Frere and All Museum Committee members made the Burleson Family Celebration and wreath laying on General Edward Burleson's grave a memorable occasion. Pictures are from the Waterloo Luncheon which followed the Wreath Laying. Guest Speaker was Dr. Burt L. Burleson of Baylor University.
