

DRT Logo Design Contest

Why a Logo?

To have a recognizable image that captures the spirit of our organization. Many corporations and sports teams are easily identified just by their logos.

How do I participate?

Design a Logo that describes who and what the Daughters are.

Any design limitations?

Design should be reasonably reproducible in print (color or black and white) and embroidery.

Design should be readable from a distance.

If the name of the organization is used, use "Daughters of the Republic of Texas"

May include the initials "DRT"

Avoid similarity to or confusion with logos of other entities.

Submission Requirements?

Submit electronically to your District Representative no later than **January 15, 2018**. The logo must stand on its own; however, a description of the thought process behind it may be included as part of the entry.

Submissions will be included in a presentation to the BOM at their February 2018 Meeting. The BOM will choose up to 4 designs to be presented at the May 2018 Convention.

Winning Design

The winning designer will receive a one year DRT national dues exemption and mention in the DRT Newsletter.

The Fine Print

The winning design will become property of the DRT and may be modified as needed for usability.
