My name is Donna Irby and I would like to share with you an easy way to support our new Republic of Texas History Center.

I imagine quite a few of us look at the large sums of money needed to build and sustain our RTHC and wonder how we can help. I don’t have $10,000 to spare. But I do have an idea! You know the proverb about eating an elephant one bite at a time?

Let’s all make use of our PayPal button on the DRT website and contribute!

I decided to set up a recurring monthly gift that was a manageable amount for me. It’s about equal to my meal out with my DRT sisters after a meeting. It may not seem like a lot, but it builds up! Over time, I imagine I am close to sending a decent sum. Now if I wrote a check for that whole sum, I might have some explaining to do to my husband. But as it is, we don’t even miss it.

Please let me encourage each of you to take advantage of the recurring payment button on the website link at the bottom of this page. Join me, and others, and set up a recurring amount to donate.

Just imagine, if ten people set up a monthly $10 donation then it will grow into $1200 a year. What if 1000 of our members set up $25 a month? That becomes $300,000 a year! **In a perfect world, if all of our 7000 or so members gave $25 a month, we would give $2,100,000 a year or more!** Imagine what we could do with that!

I love a quote that Sherry Jenkins shares in her emails – *Donors don’t give to institutions. They invest in ideas and people in whom they believe.* ---G.T. Smith  Our idea is a place to share our love of history and our pride in our ancestors’ contributions to the state of Texas.
